

OUR GOAL

TO IMPROVE THE ECONOMICS, INTEGRITY AND PLEASURE OF THE SPORT OF THOROUGHBRED RACING ON BEHALF OF ALL OWNERS.

PRESIDENT/DIRECTOR'S MESSAGE

Neil Oldfield

WELCOME MEMBERS AND READERS TO THIS EDITION OF THE BULLETIN.

Welcome members and readers to this edition of the Owners Bulletin. As the season moves into the autumn months, we can reflect on summer performances with a warm glow. The exploits of Jimmy Choux have been especially wonderful. Stakes in excess of \$2 million are a real testament to the courage, and determination in his performances throughout the season. A very special two-year old, Anabandana, also made a captivating rise with two Group One victories.

As an industry, we unfortunately do not capitalise on the media marketability of these equine athletes. We all endeavour to pursue excellence and heartedly congratulate connections with their triumphs however, the wider public appeal is not extolled to the greatest advantage of all. We look forward to the return to racing of these two athletes in particular.

The NZTR Members Council has started the process of selecting a new Thoroughbred Racing Board. A total of 62 applicants provided their CV's for consideration. This is an indication of the diversity of people interested in both the history and the future of thoroughbred racing. The diversity of their interests outside racing is extraordinary.

Careers involving law, finance, business development and strategy should ensure a Board with a depth of commercial expertise to assist them make decisions that are needed, whilst also drawing on their primary depth of racing knowledge.

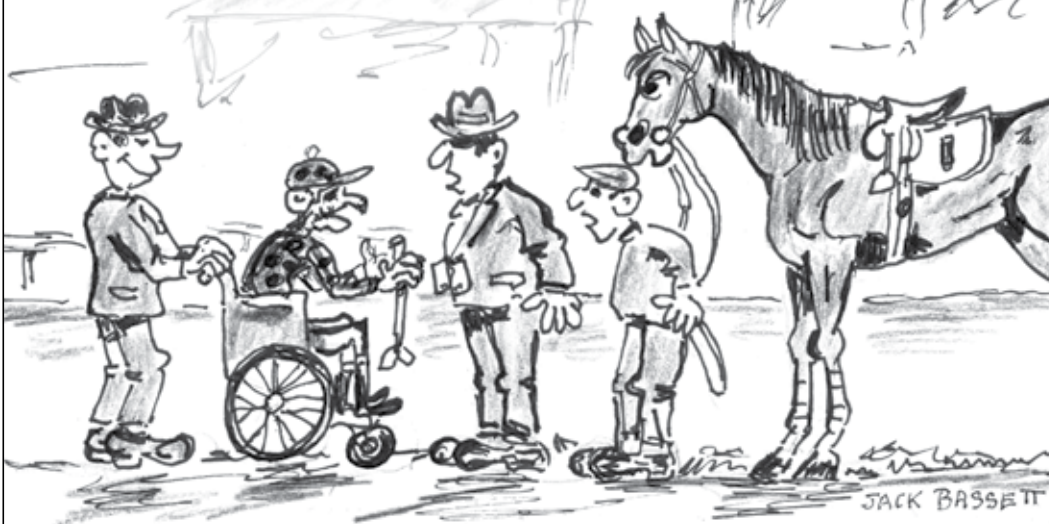

"If nothing changes, then nothing changes", a simple statement, but the status quo is no longer an option. You as owners can look forward to a revitalised industry with a number of changes afoot. The recent appointment of Greg Purcell as CEO and the establishment of an independent NZTR board that has the opportunity to evaluate and implement change without the baggage of club or sector group affiliation is an advantage that must be grasped with both hands. It will not be a quick fix, however I have every confidence that the industry will go from strength to strength.

Finally, I would like to take this opportunity to thank Windsor Park Stud for its ongoing support as a cornerstone advertiser in this bulletin. As a significant owner of racehorses and a member of the Owner's Federation, your support to the industry is significant and very much appreciated.

All the best for the rest of this season.

Regards, Neil.

I know I said get me a jockey with plenty of experience - but....

NOTES FROM THE REGIONS

AUCKLAND

Ken Cramer-Roberts

At our last two Association committee meetings the main issues considered were:

- **The new board set up for the NZTR.**
- **Recent changes to weights horses are required to carry.**
- **Arranging the stud and stable tour.**
- **Preparing Neil Miller for the April Federation Meeting at Palmerston North.**
- **Arranging new cartoons from Jack Bassett for the Bulletin.**
- **The need for a dedicated Owners room at all racecourses.**
- **The new requirements to keep away from stabling areas on race days.**
- **Answering two letters from members concerned at the way racing is changing.**

We continue to believe an Owners room on race days is a must to retain owners who spend thousands of dollars preparing their horses for each race meeting and punting on these horses. We feel strongly that clubs should host all owners in a dedicated owners room, as is done in Canterbury. We will continue to pursue this with clubs in our area.

We agree the stabling areas at Ellerslie and Te Rapa are so narrow it is unwise for owners and friends to mill around their horse while other horses are walking around. Two letters received about this issue made suggestions that were forwarded to the Federation for their consideration.

Our recent Stud and Stable tour attracted 47 attendees. At the luncheon Ada Parnwell was also on hand to listen to a talk by Greg Purcell, CEO of NZTR. It was a busy enjoyable day and letters have gone out thanking all who presented their bloodstock and facilities.

The Bulletin belongs to members and we encourage a letter or story from any member to help fill our portion, and the next cartoon is a beaut thanks Jack...

As the Bulletin is distributed throughout New Zealand, we solicit advertising to assist pay for its production. Please contact the Federation secretary Jim Keyte on 0800-696-377 or email nztrrof@xtra.co.nz

WAIKATO

Jenny Cowan

Sponsors throughout the country are valued participants and their presence and input on many occasions involves many people who haven't had the luck to have a day at the races. Much lighthearted banter is shared and occasionally, profit can be had, in various places where sponsors may be.

Pictured (top), are OWNER's member Gaye McClunie (right), Karen Priscott, and Glenda Coker at Te Rapa. Gaye is a second-time sponsor on account of her success with her horse Scottish Mist. Her reason being to show support for an industry that's given her so much enjoyment – and huge thrills. And money! Glenda the hostess at the winners' circle for some 16 years remembers one of her first customers was Joan Collins (actress, for those who don't know) when she made her GRAND entrance on to a NZ racecourse – in a convertible car, I think.

A further race that day was "Jenny Stewart's 80th Birthday 1200". Her family and friends knew of her strong interest in racing over many years, so their way of celebrating the big 80th birthday was at Te Rapa with all-day entertainment as well, in a corporate box together. Not actually, a 'box' – but a room with a view on the third floor, with food and drink in comfort – with trimmings. And all were made merrier by the winner's name – Dowager Queen, trained by the Rogersons' – committeeman, Murray Gregory of Waikato, was in attendance representing the trainer. When asked what was her interest in racing, the sprightly 80yr old replied, "I'm a punter".

Racing at Te Rapa. Lyn Collins must get the most enjoyment of anyone out of a days racing there. All day surrounded by excited, happy, successful OWNERS! Long time committee member and host of the Winners Circle – who makes the presentations to every winning OWNER of every race.

At the March 19th meeting, Bellino won the first race by 7 lengths. He is raced by a handful of OWNERS from Auckland who were all on course to celebrate the horses first win. They are pictured after their presentation from Lyn. Bellino, by Bertolini, was purchased from the Ready to Run sale on the advice of Richard Collett on type alone, from the breeders Elaine and Anthony Quirk, who are now part of the racing syndicate. One of the partners said although not regular OWNERS, her husband loves the breeding angle and seeks the racing page before any other page in his national newspaper each day. Another was asked – "What did Bellino pay?" – "I've no idea" was the reply.

OWNER's members Don and Karen Letcher (centre pic) from Te Aroha won with their 100% owned Hot in Black. Don was enjoying Lyn's presentation and hospitality with son Tony, while Karen did the strapping and cooling down with Hot in Black. They have 4 horses in work and with Karen not riding trackwork now as she has always done, the procuring of riders and waiting for same, takes the shine off morning workouts. At tracks like Te Aroha there is a dearth of riders available.

Their race was the "Serve and Volley 2100". Certainly a unique and original way of sponsorship whereby 5 farmers from Rotowaro near Huntly, with an interest in tennis and racing, put their pockets to valuable use on a racetrack. Our photo is Don and Tony Letcher with 3 of the 5 farmers who are the "Serve and Volley" experts. Don accepted his laurels with grace, but felt he was a bit too old to start a career in tennis.

Many horses have intriguing backgrounds – one in this category is recent winner at Tauranga, New Moon, for Tony Devcich of Cambridge. Leo and I bred his mother Light'nEasy out of Regal Plume, whom we bought from Cliff Parton – a grand daughter of his top race mare Delloch. We named her after a Brisbane radio station – it had a nice flowing sound.

To actually get and enjoy her was fortuitous indeed. We chose to breed Regal Plume with our stallion of choice, Imperial Guard, and floated her to the stud ourselves, a 2 hour drive. No one met us on arrival and so we eventually left her in a yard on her own with a label. No communication for the next weeks until a phone call to say come and collect your mare, but she's been scanned empty. We put her 'down the paddock' for many months and she started looking larger and larger and finally a lovely foal – Light'nEasy.

We raced her for 2 3rds in her first two starts – and this warranted a trip to the West Coast of the SI with our three others for a holiday of racing. We over-nighted in Blenheim and galloped her with disastrous results – our fault as Blenheim can provide a hard, dry surface. She chipped a bone in her knee, which was too big to remove and the vet said, "send her home", she won't race again. Because she showed so much speed we did that and she became a brood mare. She was a wonderful brood mare to us, giving Light Opera, Green Light, Matthew, and others with ability, and now, New Moon (bottom pic), who was bred by Tony Devcich, after he bought her from us.

HAWKES BAY

Tony Lyndon

Hastings Trainers saddled up 3 winners at the Wairoa meeting. Kelly Burne with Be Ready and Shant get Court, and Patrick Campbell with Shesalljazz. Be Ready who bolted in by 6 lengths is raced by Burne who bought her out of the paddock for \$4000, and races her with her son Vinnie and 2 Waipukurau men Mike Stanley and Ray Pineaha. The My Halo mare, a half sister to Milo, should be a valuable acquisition to the broodmare paddock in the future. Shesalljazz raced by Chris and Ken Russell, two of the biggest owners in the Bay, paid \$17.60. H.B. Breeders secretary Graham and Isobell Roddick produced the Danroad mare Petty Lane to win at Southland, a \$10,000 purchase at the Highview dispersal sale 3 years ago she has now won 2 of her 12 starts.

Jimmy Choux became the second N.Z. Derby winner in 18 years owned in the Bay. Sam and Birdie Kelt's Popsy won in 1993. The Richard and Liz Woods owned and bred colt then defeated the best Australian 3 year olds in the Rosehill Guineas. If his form can be reproduced in the spring, a tilt at the Cox Plate would be in order, especially with his ability to run on the pace.

Hawkes Bay owned horses had a good week in March with 5 winners. At Woodville Trapiche, Pinot Grieve and Elusive Dreams were successful, Fleur de Lune at Matamata and Jed at Otaki. Fleur de Lune made it 3 wins from 4 starts when winning at Matamata and followed this up by running 2nd in the Group One Easter Handicap. She is raced by Mrs Ada Parnwell with John and Colleen Duncan.

Allan Hunt, Bill Amner and Don Poulgrain got a great thrill when Jed won his second race from 6 starts at Otaki. They have been racing horses for many years with little success but may now be rewarded with a top horse.

The Party Stands Group One N.Z. Stakes at Ellerslie was an unexpected thrill for Simon Tremain, son of the great All Black Kel Tremain – so much so that he didn't dress for the day and was in the public area with his son. Tremain is in a syndicate of six, Les Archer and Todd Wolfe are also sons of All Blacks.

The Spartanicus Syndicate had their second win for the season when he romped home in a \$20,000

restricted handicap at Waverley. Eleven members of the syndicate reside in the Bay and are members of the Assn.

Prominent H.B. Owner Breeder Wayne Mudgway has reluctantly withdrawn his sponsorship from the Mudgway Partsworld Stakes. The first leg of the big Spring treble it has been sponsored for 13 years by Mudgway who has also resigned from the H.B. Racing Board. Restructuring of his Company and general changes to the auto dismantling industry has led to his decision – which was not made lightly.

Local Accountant Terry Coffey's Black n Blue capped off a string of minor placings when winning at Woodville. A \$6000 purchase at the Karaka Sales, the Black Tuxedo 3 year old is out of the Blue Razor mare Bonny Blue who won 6 races and was stakes placed.

Paul Nelson, better known as a trainer of jumpers, saddled up No Cash to win the \$20,000 Waipukurau Cup. No Cash has now won 7 races and \$155,000 for Paul and Carol.

Sam Kelt was back in the winning circle when Scarlett O'Hara won at Waipukurau. Trainer Kevin Gray predicts a bright future for this daughter of Fast N Famous, which is raced in partnership with Johnathon Wallace.

What a day for Napier Accountant Paddy Murphy and former Hastings Owner Breeder Barbara Perry. Don Domingo's Hawkes Bay Cup win was not a surprise following a brilliant win over 2200 metres at Ellerslie. The surprise was his \$18.00 win dividend. Paddy, treasurer for the H.B. Breeders Assn, has raced many horses over the years, but Don Domingo who has now won 6 races and over \$126,000 is by far the best. Barbara Perry bred Don Domingo out of her Centaine mare Blue Heaven who is also the dam of 2008 Easter Handicap winner Pasta Post. Sharing in the syndicate are Taupo Richard and Patience Izard.

Ivan Grieve, Mike Sanders and John Bary were back in the winner's circle when Never Say Never scored her 6th win at Awapuni. It was a great training effort by Bary as the mare hadn't raced for 4 months.

Snippets followed up 4 seconds from her last 5 starts when winning at Hastings. An \$80,000 purchase at the Karaka sales she is raced by Dave and Jenny Morison, Paul Stevenson and Paul Jury.

WANGANUI

Rosie Hackett

Congratulations! To Alexander Fieldes for training two Winners in a week, pretty special when he only had three horses in work. Marea Alta won nicely at Otaki ridden by Chad Ormsby after James McDonald was unwell. She is raced by Mark and Mrs Oulaghan and as A R A said, Mark has done all the early work. She kept giving and looks on track to carry on. Then at Trentham on the Saturday having his first start Ginner Hart won the 2year old race. Ginner is raced by A R A and his brother Fraser. He beat some smart types and ran on really well. He is having a short break and he is sure to be a lovely 3 year old. The other horse in the stable is Turoa Glory who may race at Wanganui. She too has been working well. Go team Fieldes .

Other locals to be working well are O'Fille raced by Charlie Waaka and his syndicate, she has furnished into a lovely filly and her work has been top class for the Marshment stable. At the same stable the Ishiguru of Lisa Allress's has kept improving and she sure has what it takes. Dancing Dee is so honest she always goes well. And Shane is back and looking bigger and stronger.

Another committeeman with a smile on his face is Brian O'Dea as his syndicate looks forward to a good winter with Beau Dane. He is back and looking as bright as a button. He had a lovely trial at Wanganui and looks to have got stronger again.

Paul Belsham has Ascolini and Sealign going well, he has some promising types working well, including a His Royal Highness gelding who the staff say is pretty special. He is raced by Bernie and Gail Belsham.

On a sad note we say Goodbye to a beautiful young lady Tymeke Wheeler. Tymeke was 16 years old and died in a car crash. She helped at the Marshment stable. She loved the horses and was the most beautiful, kind, well-mannered girl with the most beautiful smile. Goodbye Beautiful Girl we will treasure the memories.

MANAWATU

Allan Fenwick

MANAWATU AUTUMN MEETING HIGHLIGHTS

Oaks Stud Manawatu Sires Produce Stakes Day was run on one of the best racing surfaces provided at Awapuni for some time. Top class racing was the order of the day and it was pleasing to see a strong contingent from the south doing battle with northern and central stables.

The success of Anabandana in the Group 1 Oaks Stud Manawatu Sires Produce Stakes was widely predicted but it was touch and go for the last 200 metres with the hot favourite only nosing out a gallant Antonio Lombardo right on the line. Third place getter Dowager Queen, beaten over 3 lengths, franked the quality of the first two by winning the Listed ARC Champagne Stakes at her next start.

Hold It Harvey followed up his Group 3 Rich Hill Thompson Handicap win at Trentham with an emphatic win in the Group 2 Lawnmaster Awapuni Gold Cup, a well earned double for a genuine southern galloper.

Starcheeka continued his good form with an emphatic all the way win in The Oaks Stud Stallions Manawatu Classic for 3 year olds and the up and coming Guiseppina defeated the evergreen O'Cartier in the Listed Fairdale & Goodwood Studs Flying Handicap.

RACE TRIALS

The Manawatu Association believes that it continues to make a contribution by conducting race trials at Foxton and Woodville. To date this season 4 sets of trials have been held at Foxton and one at Woodville, with a further set scheduled for Woodville in May. The Association has been involved in this activity for over 40 years. With lower numbers competing it is generally close to break even at best. However the Association recognises the importance of trials for horses and young riders.

"We have a core of volunteers on our Committee who enjoy the activity and feel that we are assisting the racing industry" said President Jim Watson. "This year we welcomed Mike Fitzgerald and Beven Parlato to our Committee and we thank them for their assistance."

New members are always welcome and if you would like to be involved please contact either Jim Watson or Allan Fenwick.

SUNDAY STAR TIMES ARTICLE OFFENSIVE

An article in the 24 April edition of the Sunday Star Times written by controversial journalist Richard Boock incensed many of the racing fraternity. Under the headline "Sport of kings or sickos" the writer severely criticised the industry – "horses are being terrorised, beaten and euthanized; all for a few neanderthals' cheap thrills – ... those who attend race meetings are either misguided souls... or heartless bounders."

Further the writer urged true sports lovers and animal lovers to stay away from the track.

A number of Federation members quite rightly registered their strongest objection to the insulting comments by protesting to the Editor. It is pleasing to note that the Editor acknowledged in his response to the objections that whilst defending his columnist's right to despise whips and express an opinion, he does expect them to stop short of offensiveness. Further it is not acceptable to damn an entire industry.

Regrettably the writer's comments will remain in the public arena.

The Sunday Star Times had earlier annoyed the racing industry by not printing the results from the previous day in their 3 April edition but responding to the howl of protests, the results have now been reinstated. It is good to think that some people are prepared to listen to the rank and file and react accordingly.

CENTRAL SOUTH ISLAND

Pam Trusttum

The first few months of 2011 have proved profitable for several owners and breeders within our region.

The New Year got off to a great start for Waimate owners Bob and Diane Goodeve, with Numero De Lago winning at the Waikouaiti races New Year's Day.

Orari owner/trainer Graeme Dobbs has had a wonderful run with Ya Dreamin Jonesy. After a maiden win on the West Coast circuit, the gelding recorded three wins in a row, the last being a comprehensive slaying of his opposition in the Invercargill Gold Cup. Not bad for a horse labelled as a cheat by his previous owners in the north

Park Hills breeder Sue Walker had a maiden win with her Viking Ruler mare Soprano Rules at Gore in the New Year. Raced by Sue's husband Noel and a syndicate of friends, the mare is trained locally by Michael Daly.

Danny Champion and Kezia Murphy have had two wins in a row with their big strong My Halo gelding, Anahera, scoring over 1200m at Cromwell and then at their home track in Ashburton.

Local owner/breeders Tim and Esther Parcell have also had success with their talented staying mare, Beata, winning at both Gore and Otago, a second placing in the Invercargill Gold Cup and a third in the Riverton Cup.

Richard and Anne White were thrilled when their Danzighill gelding, Braemar scored over 2000m at Invercargill.

Waimate farmer George Hennesy and his daughter Lucy race their homebred Hadaad gelding Stormy Rain, out of the Washdyke stable of Michael Daly, and he scored over the staying distance of 2000m at Gore and Riccarton.

Gary Trusttum broke his hip in a riding accident last September, and after a hip replacement operation he has had a very satisfying return to training. The families Occidental Tourist mare Satisfaction had two close seconds and then two wins in a row, and a gutsy third placing up the grades, all at Riccarton.

Polly McDonald had a nice win with her handsome 3-year-old Rebel's Ransom at Riccarton over 1600m. It was the gelding's sixth start and he carried on with a second placing at his next start; and has only failed to weigh in on one occasion from seven outings. Polly has recently sold her property at Timaru and has relocated to Rangiora, and we wish her all the best for the future.

Otaio breeders, Sue and Stuart McGiffert's smart little mare Princess Halo, clocked up her fourth win, for a local syndicate from Michael Daly's stable, early this month at Motukarara.

It was an awful shock to us all when fellow owner, breeder and trainer Peter South passed away suddenly on February 22nd. Peter had a passion for horses and horse racing, and his commitment to the racing industry was unflinching and he is sorely missed.

Satisfaction and 2 yr old My Halo-Exploza gelding working at Kingsdown Stables

Peter South and partner Thelma Foley at Phar Lap Raceway after lending a hand at the practice gates

AUCKLAND OWNERS STUD AND STABLE TOUR 2011

Neil Miller

The Auckland Owners bus tour is an annual event that takes place just before daylight saving ends. This year we had a special guest with the new NZTR CEO Greg Purcell joining us.

Two hours down the road we rolled in to the beautiful Rich Hill Stud near Matamata. Owner John Thompson greeted our large group and entertained us with a stallion parade. First on show was the great stallion Pentire who loves showing off to an audience. Then the contrast of black to white came with Any Suggestions. His stock were well received at the recent sales. After him came the brown horse, Bahare. John spoke about all the stud's missions and the stallions they stand and then we adjourned for morning tea.

On to Matamata racecourse and Stephen Autridge's stable. We walked through the tidy complex and Stephen paraded a lovely Coats Choice – Russian Opera filly by Stravinsky (Lot 1163). Shares to own are available. Also paraded was the well-bred Perfectly Ready – Society Walk filly (Lot 59). Shares are available for lease to race. For further details contact stephen2@callsouth.net.nz or phone 021 347709.

Just a short stroll away is Ladbroke Park Stables. John Sargent brought out his old mate Red Ruler. The affection his staff have for this great warrior was obvious.

Then John brought out two colts that he wants to syndicate as a pair. They are the yearlings (Lot 1135) Keeninsky – Rachael by Pins and (Lot 1168) Rusty Spur – Sanguine by O'Reilly. Both these colts were bought well and the former looks an early type. For more details email johnsargent@xtra.co.nz or phone 021 577 055. (Note the above Lots refer to the 2011 Karaka Yearling Sales).

Across to Cambridge and a good luncheon at Ada Parnwell's Cambridge Lodge. Lee Somervell paraded their Danehill stallion Civic. This fellow looks like a Danehill and he is big. He throws very nice stock and Lee paraded a Civic – Blue For You yearling filly. Then he brought out a Civic – Amron Lady 2yo gelding. This fellow is nearly ready to trial and Lee is very pleased with him. Both of these have shares available at very reasonable prices and the stable is really firing on the track. For more details contact Lee at first@kapiti.co.nz or 021 530719

After the luncheon Greg Purcell gave an "off the cuff" address on his new position at NZTR and the tasks and prospects ahead. It was apparent that he has put himself out to meet a lot of industry people in a short space of time. His past experience in racing is very comprehensive and a matter of public record. (You can google that). We found him open and attentive and felt he is a very encouraging acquisition to the post.

Onwards to the Cambridge training track where local and Waikato stalwart Jenny Cowan gave us a talk about the workings of the busiest training centre in the country.

Our final stop was at Windsor Park Stud. There was the venerable Volksraad over the fence. Studmaster Steve Till presented the international sprinter sire Falkirk. Next out was the grey stallion Guillotine who of course is the half brother to Melbourne Cup winner Efficient. Then out came New Zealand's pending sires champion Thorn Park, a magnificent bold chestnut. With his progeny Jimmy Choux, Veyron, Centennial Park and many other winners, this country now has a resident sire whose future here seems assured.

The arrangements and scheduling for this tour are done by Auckland president, Ken Cramer-Roberts. He cracks the whip on the way round and in all of this does a very good job indeed. A special thank you to all who hosted us. You make it a special day.

ANNUAL SUBSCRIPTIONS

WE WILL AGAIN BE INCLUDING ANNUAL SUBSCRIPTION INVOICES WITH THE JULY EDITION OF THE OWNER'S BULLETIN.

With the increase in GST part way through this year, we have had to increase the cost of this subscription from \$40.00 to \$42.50. We have however reduced the cost of joint membership from \$70.00 to \$50.00 where two members have the same postal address and jointly receive Federation correspondence and the Owner's Bulletin.

As we approach the end of the current season, we are mindful that new members who join the Owner's Federation between now and July should not be disadvantaged. Accordingly, the annual subscription paid by any new member that joins during the remainder of the current year will also cover the 2011/12 membership year.

UPCOMING TRIALS DATES IN MAY

NORTHERN

- 10 May – Ellerslie (Inside)
- 16 May – Cambridge (Jumps)
- 17 May – Te Aroha
- 31 May – Waipa

CENTRAL

- 17 May – Woodville

SOUTHERN

- 31 May – Rangiora

2011 BOMAC LECTURE SERIES – “ALL ABOUT FOALS”

The New Zealand Equine Research Foundation is thrilled to have been able to get Dr Jane Axon from Australia to be the keynote speaker at this year's Bomac Lecture Series. In 1999, Jane joined the Scone Equine Hospital as Director and senior veterinarian of the Clovelly Intensive Care Unit. Scone is in the centre of the largest breeding area in the southern hemisphere. The ICU admits over 900 horses each year, of which approximately 400 are foals. She has just completed her 12th season.

The 2011 Lecture Series will follow the same afternoon format as the last two years and will be held from 1pm to 5.30pm on.

Sunday 24th July	Christchurch	Riccarton Racecourse
Wednesday 27th July	Palmerston North	Awapuni Racecourse
Friday 29th July	Auckland	NZB Karaka Sales Complex
Sunday 31st July	Matamata	Matamata Club Inc, Rawhiti Ave

Jane will deal with the management of common conditions and diseases of the late pregnant mare and the newborn foal, the neonate, the young foal and the older foal beyond weaning. So whether you foal your own mares or not, there will be a wealth of information to help you make the right decisions for your foals.

All owners are welcome to attend. Registration fees are \$40. Further details are available from nzerf@xtra.co.nz or 06 356 4940

FROM THE ARCHIVES

Tony Lyndon

19TH SEPTEMBER 1946 MEETING H.B.J.C. TEA KIOSK

A Meeting of 20 trainers being in attendance. Mr G Ebbett kindly agreed to chair the meeting. In his opening address Mr Ebbett stressed the fact that it was important for trainers to approach the H.B.J.C. appertaining to trainers requirements. He said the H.B.J.C. would receive any deputation with consideration. A letter was read from the H.B.J.C. asking what recommendation could be made to re-establish a school for training of apprentices.

12TH OCTOBER 1946 MEETING H.B.J.C. TEA KIOSK

There was a good attendance and Mr McCormick was elected chairman.

Letter from H.B.J.C. granting training track for late workers as requested by the Assn.

Letter from the racing conference outlining the subject of compulsory insurance under the Workers Compensation Act. The act states clearly that employees must be covered by the Workers Compensation Act and that the accident fund as administered by the racing conference does not cover these claims.

Remits from the Auckland and Takanini Assns were read. The following were supported or rejected.

- Appointment of a starter by Conference..... no comment
- Reduction of affiliation fees from 50% – 20%..... supported
- Representation on conference..... supported
- Discretionary powers of starters..... supported
- Hack status to be raised 500 Pounds to 1000 Pounds ...rejected
- Division races to be adhered to supported
- Dispatch from birdcage to start barrier 10 minutes..... supported
- Breeders to guarantee live foal..... rejected
- Drawing of barrier positions acceptance night..... supported

Mr J. Paul moved that conference to impose 1% on all winnings to cover compulsory insurance. The fund being administered by the conference.

THE OWNER'S FEDERATION WELCOMES RECENT NEW MEMBERS

We wish to extend a very warm welcome to the new members who have joined the Owner's Federation in March and April. We really appreciate your membership support and look forward to a long and enjoyable association with you.

NEW ZEALAND THOROUGHBRED RACEHORSE OWNERS FEDERATION

JOIN UP

Racehorse Owners are the backbone of the racing industry, incurring significant cost to purchase and prepare horses for racing. It is essential that Owners are well represented by an independent body that seeks to maximise their returns – financial, social and overall enjoyment.

Join the Thoroughbred Racehorse Owners Federation and support the voluntary organization that is working for Owners. The **annual membership fee of \$40** will be the smallest investment you make in racing – but possibly the best.

Choose which association you would like to join as below or go online to register your membership.

CONGRATULATIONS TO FEDERATION MEMBERS ON THEIR RECENT WINS!

We continue to track winning horses owned by Owner's Federation members. As we only have visibility of owner's named in the race book, we know we will have missed members involved in winning syndicates and may have inadvertently missed others. We apologise to any member we have missed and extend our congratulations to all members who have recently experienced the thrill of winning.
